## The Boston Fugltive.

On Monday, the examination of the fugitive Burns was proceeded with before Mr. Loving, United States Augest next. Mr. Hill would make a most capital Commissioner. The excitement continued without abatement, but without any actual violence. The fugitive protested against the case being proceeded with while the Court-house was filled with armed advantages. It must, in view of the opening of the duct of the fugitive's friends had rendered the pres- become largely enhanced in value. ence of the military necessary. About six o'clock in the afternoon of Monday, the Court adjourned till Tuesday morning. The great crisis is looked for upon the rendition of the Commissioner's award in the case, which, from the evidence, can hardly fail to be one ordering the slave to be restored to his mas-

An association calling themselves the "Worcester Freedom Club," numbering some six to eight hundred persons, marched into the Court House yard about noon on Monday, amid vociferous cheering .-Incendiary hand-bills, distributed through the country towns, has had the effect of attracting a large number of evil disposed persons to Boston, apparently unnecessary, as there appears to have been plenty of that kidney in Boston, without calling in any more.

of this affair, that the mob and the mob orators invariably allude to the City and State authorities as being with them, as having expressed themselves to the States. Seven or eight hundred Chinamen, laborers, ous to precipitate our Cuban difficulties into open "Inaction, or vague postponement, or declarations must be evident that the preponderating and ruling Charleston, Cour. influences from Charles Sumner, U. S. Senator, to the lowest whipper snapper of the city government is pledged and committed to a practical nullification of the laws of the land.

Those merchants who do not dare actually to take up arms are busy signing and circulating inflamatory | 1088 of the schr. Decotal some time struck the bow of the session from becoming the prey of the United States." itself, but that its repeal would work a vertual violation of the constitution by depriving one of the eseffective operation. The repeal of this law would town leave the cause of the constitution providing for the restitution of Fugitives from labor a dead letter.

There is a proposition pending to adjourn Congress during the heat of the Summer months, say from the 3d of July to the 1st of October-a resolution having by this body of the death of P. G. M., Perrin Busbee, actually passed the Senate to adjourn sine die of Raleigh : be it therefore on the first named day. This, of course, will be reon the first named day. This, of course, will be reconsidered; and we think that if a recess be indeed of N. C., has been deprived of a zealous and lying across the Graham's deck. taken, it will be only for a short time. There is plenty | distinguished member. cess of Congress is hardly to be looked for.

The Deficiency Bill has passed both houses, without the appropriations for the Potomac acqueduct, and for several custom houses, etc. The rapid growth of the "Know Nothings" in Washington city seems to have a bad effect upon appropriations for works there. The majority of both Houses is opposed to lavish money on a community which fosters in its bo-

ATTEMPT TO SINK VESSELS .- A letter from Val-

Of late several shameful crimes have been committed on board vessels sailing from this port. No less than four vessels have been found leaking badly, after getting a few days out to sea, and on putting inbeen deliberately and maliciously bored through and through with an auger. A Chilian vessel, the Virginia, not many weeks ago, vailed from Montevideo with a cargo of flour. She put into Chiloe, at the South, and had eight auger holes in her bottom. The voyage has in consequence, been broken up. Day go of oil, returned in a similar condition. She for a whole year has been tryig to get home, and hindered by one difficulty after another; and now this one has come added to all the rest. Many of the men were in irons when she came in; and the Consul went at once on board to form a statement of the case. It appears to be a crime of the same nature as arson, ed. I know not what is the law on the subject, but St. Lawrence is or was at Coquimbo. The German-

town is expected shortly from home. THE NEBRASKA BILL IN MASSACHUSETTS. Boston, May 24 .- The Democratic Committee of pending millions as thousands, and at the same time tions endorsing the Nebraska Bill, by a vote of 43 to
